Vehicle Review & Approval

- All vehicles must be preapproved by Gallivan Center management before driving onto the plaza.
- While moving on the plaza, vehicles must be accompanied and guided by Gallivan Center staff.
- No vehicle access will be permitted on the plaza after doors are open for the event.
- Only production vehicles and trailers with a combined weight (including load) under **26,000 lbs** are allowed on the plaza.
- **Large trucks** offloading equipment must do so at the designated drop-off area, located at the **entrance to the Central Art Piece**. Please see the attached map.
- There are limited areas where vehicles are permitted to drive on the plaza. Please see the attached map.
- No trailers may be driven onto the Main St. Terrace area of the plaza.
- All vehicles must have mats underneath the drive train, serving window, and cooking area doors to catch any potential leaks, spills, or drips.
